

Conversational Hebrew and Learn About Israel

The Picture Book: A First Speak Hebrew Workbook

The Picture Book introduces basic, conversational Hebrew using simple phrases that are by completed using the picture vocabulary.

The Picture Book brings a whole language approach to familiar everyday topics such as the family, food, sports, Shabbat. Teachers easily build simple conversations and activities from the topics provided. The simple phrases and picture approach to vocabulary help students with retention.

Mah HaMatzav Posters: True to Life Scenes in Israel

The *Ma HaMatzav Posters* depict true to life scenes in Israel. Sarah and David are seen visiting different cities in Israel and conversing in simple Hebrew that is cool and contemporary. All vocabulary is translated in a sidebar.

The Visit Israel Book: Pictures, Dialogues and 'Scrapbook'!

The *Visit Israel Book* offers students two active approaches to learning about Israel:

a) First students learn conversational Hebrew

The *Visit Israel Book* contains each a workbook size version of each of the posters. Students can study each scene, dialogue and vocabulary more closely.

b) Next, students add their 'own pictures' of Israel to the 'scrapbook' pages.

Teachers direct students to learn more about Israel by going online to find pictures to add to the 'scrap book pages' in the workbook. Students also enjoy drawing items from the vocabulary list and labeling them in Hebrew.

The Visit Israel Book is a new classroom tool that combines simple conversational Hebrew with a hands-on approach to learning about Israel!
